ILT B.Ed college has curated an enriching array of value-added courses that cater to the holistic development of aspiring educators. From delving into the timeless teachings of Gandhian Philosophy to mastering modern-day digital tools through the Course on Computer Concepts and Digital Platform Tools, the curriculum is diverse and comprehensive. Moreover, the emphasis on Gender Equality, Emotional Well Being, and Interpersonal Relationships reflects the college's commitment to nurturing educators equipped with essential life skills. The inclusion of Action Research fosters a culture of continuous learning and innovation, while the English Enrichment Programme and Finishing School complement the academic foundation with refined communication and professional abilities. Overall, these courses empower future educators to thrive in a dynamic educational landscape by integrating traditional wisdom with contemporary tools and values.
