The ILT B.Ed college offers a diverse array of self-study courses catering to various aspects of education, safety, and skill development. Covering topics such as School Safety and Security, Nutrition, Health, and Sanitation, the curriculum aligns with contemporary needs in the educational sector. Additionally, the institution delves into the nuances of the National Education Policy (NEP) 2020, emphasizing literacy, numeracy, and foundational education. Moreover, the courses focus on leveraging technology with modules like Digital Literacy, Cyber Security basics, and the integration of Social Media in Education. Notably, they also emphasize soft skills essential for educators, including Leadership, Team Building, and Time Management, fostering a holistic learning environment for aspiring educators.

Innovative Thinking Skill (2018):

This course aims to cultivate innovative thinking among educators. It covers techniques to foster creativity, problem-solving, and out-of-the-box thinking essential for developing engaging lesson plans, adapting to diverse learning styles, and integrating new approaches in education.

ILT B.Ed college has curated an enriching array of value-added courses that cater to the holistic development of aspiring educators. From delving into the timeless teachings of Gandhian Philosophy to mastering modern-day digital tools through the Course on Computer Concepts and Digital Platform Tools, the curriculum is diverse and comprehensive. Moreover, the emphasis on Gender Equality, Emotional Well Being, and Interpersonal Relationships reflects the college's commitment to nurturing educators equipped with essential life skills. The inclusion of Action Research fosters a culture of continuous learning and innovation, while the English Enrichment Programme and Finishing School complement the academic foundation with refined communication and professional abilities. Overall, these courses empower future educators to thrive in a dynamic educational landscape by integrating traditional wisdom with contemporary tools and values.
