1. Sessions were organized by Principal Sir on weak topics as mentioned above.
2. Communication workshops such as Effective Communications, Honing the Communication Skills, Non-verbal Communications, and Art of letter writing were conducted during the academic year

Institute of Language Teaching

Ref :

Date :

At ILT B.Ed College, an entry test was conducted that comprised two integral components. The first segment of the test encompassed evaluations of grammatical proficiency, including tests on nouns, pronouns, verbs, adverbs, adjectives, and articles. These assessments were designed to measure the students' understanding and application of fundamental language elements, ensuring a robust foundation for their educational journey. The aim was to identify candidates with a strong linguistic aptitude, contributing to the overall success of our B.Ed program.

Simultaneously, a survey was undertaken from the inception of the college, wherein students submitted their preferences and interests in cultural activities, sports, and other extracurricular pursuits. This survey provided valuable insights into the diverse interests of the student body, shaping our approach to education accordingly. By incorporating a comprehensive assessment that included both grammatical proficiency and extracurricular interests, ILT B.Ed College sought to create an inclusive and supportive learning environment. Throughout its history, the college has aimed to recognize and celebrate the unique strengths and passions of each student, preparing them for a well-rounded and enriching educational experience.
