Cutting-edge digital equipment has recently been acquired by ILT B.Ed College, signifying a notable advancement in e-content development. Aligned with our steadfast commitment to delivering a dynamic and engaging learning experience, we have procured state-of-the-art tools. The acquisition includes a 20 MP Still Compact Digital Camera, providing faculty and content developers with the capability to capture high-quality videos and enhance the visual richness of lectures and practical demonstrations. Additionally, the XP-PEN Electromagnetic Graphics Tablet has been introduced to the inventory, opening new avenues for interactive and visually compelling content creation. To support these initiatives, a tripod stand has been added, ensuring stability and professionalism during video recording sessions. These strategic investments underscore ILT B.Ed College's dedication to maintaining a leading edge in educational technology, with the ultimate goal of benefiting our students and fostering an environment of innovative learning.

## **20 MP Still Compact Digital Camera:**

Purpose: ILT B.Ed College, committed to advancing e-content development, has recently acquired a 20 MP still compact digital camera. This equipment will play a pivotal role in capturing high-quality videos for various educational purposes. Faculty members and content developers at ILT B.Ed College will utilize the camera to record lectures, practical demonstrations, and other instructional materials. This investment aims to enhance the visual quality of e-content, ensuring a more engaging and effective learning experience for students.
