ILT B.Ed College strategically employs Google Classroom, as our designated Learning Management System (LMS), to optimize the educational framework for our students. Aligned with this commitment to educational excellence, we are proud members of the G Suite, enhancing our capabilities and further integrating technology into our academic processes. Google Classroom functions as a comprehensive platform where students actively participate in a structured learning environment. Within this LMS, students gain access to a diverse range of educational materials, engage in discussions, and seamlessly submit assignments. The platform facilitates the efficient distribution of course materials, including videos and other multimedia resources, fostering a collaborative and interactive learning experience.

In addition to providing a robust space for course content, Google Classroom allows us to streamline the assessment process. Our college strategically utilizes the platform to conduct MCQ exams, enabling students to demonstrate their knowledge and skills in a secure and organized manner. The user-friendly interface of Google Classroom ensures that both faculty and students can navigate the system effortlessly, promoting an efficient and enjoyable learning journey. As active members of the G Suite, ILT B.Ed College remains committed to delivering a modern and effective learning experience, leveraging technology to enhance the educational journey for our students.

ILT B.Ed College boasts a comprehensive array of user interfaces across various platforms, ensuring accessibility and efficiency for its students and faculty. The institution has invested in diverse interfaces for each module, including a dedicated YouTube channel to facilitate enriched learning experiences through video content. A mobile application has been designed to offer convenience and accessibility for users, allowing seamless interaction with course materials and updates. The integration of a biometric attendance system reflects the college's commitment to modern technology, ensuring accurate and secure attendance tracking. Moreover, the IITE portal serves as a centralized hub, providing a streamlined platform for administrative tasks, academic resources, and communication. Each interface plays a vital role in enhancing the educational journey at ILT B.Ed College, fostering a dynamic and supportive environment for both learning and administrative functionalities.
