## Certificate of Financial Support for Infrastructure at ILT

This is to certify that the Institute of Language Teaching (ILT) operates as a Grant-in-Aid college, facing limitations in its income sources. The Shree Saurashtra High School Trust, entrusted with the management of ILT, extends crucial financial support for infrastructure-related expenses, including maintenance.

Through their unwavering commitment, the Trust plays a pivotal role in ensuring the sustained functionality and upkeep of ILT's facilities. Their generosity significantly contributes to maintaining the high standards of education and infrastructure at ILT.

We express our deepest gratitude to the Shree Saurashtra High School Trust for their continued support, which empowers ILT to provide quality education in a conducive learning environment.

## Waste Management Policy and Procedure Report

### Executive Summary

This report provides an overview of ILT B.Ed College's waste management policies and procedures, highlighting the institution's commitment to environmental sustainability. It outlines the strategies in place to minimize waste generation, promote recycling, and ensure proper disposal of waste materials.

### Introduction

ILT B.Ed College recognizes the importance of responsible waste management to contribute to a cleaner and healthier environment. The institution is committed to implementing policies and procedures that align with environmental regulations and best practices.

### Objectives

**Minimize Waste Generation:** The college aims to reduce the generation of waste through awareness programs and the promotion of sustainable practices.

**Promote Recycling:** ILT B.Ed College encourages recycling initiatives to minimize the environmental impact of waste materials.

**Ensure Proper Disposal:** Proper disposal methods are established to handle non-recyclable waste in an environmentally friendly manner.

### Waste Management Policies

#### 1. Waste Reduction

ILT B.Ed College is committed to minimizing waste generation through:

**Educational Programs:** Regular awareness programs are conducted to educate staff and students on reducing paper usage, promoting digital documentation, and adopting eco-friendly practices.

**Procurement Policies:** The institution prioritizes the purchase of products with minimal packaging and those made from recycled materials.

#### 2. Recycling Initiatives

The college actively promotes recycling through:

**Segregation at Source:** Waste bins are strategically placed for the segregation of recyclable and non-recyclable materials across the campus.

Partnerships with Recycling Companies: ILT B.Ed College collaborates with local recycling companies to ensure the proper recycling of materials such as paper, plastic, and electronic waste.

### 3. Waste Disposal

Proper disposal methods are implemented, including:

Hazardous Waste Management: Specialized procedures are in place for the safe disposal of hazardous materials generated in laboratories and other relevant areas.

Waste Collection Schedule: Regular waste collection schedules are maintained to prevent the accumulation of waste on campus.

### Monitoring and Compliance

ILT B.Ed College monitors waste management practices through:

Regular Audits: Periodic audits are conducted to assess the effectiveness of waste management procedures and identify areas for improvement.

Compliance with Regulations: The institution ensures that its waste management practices comply with local, regional, and national environmental regulations.

### Conclusion

ILT B.Ed College is dedicated to fostering a sustainable and environmentally conscious campus through its waste management policies and procedures. The institution remains committed to continuous improvement and adaptation to emerging best practices in waste management.
